Reaching out to Arizona: Growing company extends valuable support to patients & hospitals.

Phoenix, Ariz. - July 22, 2008 - Outreach Services, the nation's leader in uncompensated care solutions, is pleased to announce the opening of a new office in Phoenix, Arizona. With offices in Washington, Oregon, Hawaii, Idaho, Illinois, Minnesota and Florida, Outreach Services now operates 9 offices covering the Northwest, Midwest, Southeast, Northeast and now the Southwest.

"The Southwest is an important market for Outreach Services. With our 9th office now open, we are excited to expand our presence throughout the United States. The opening of our office in Arizona is a direct result of our continued growth in the Healthcare Finance industry," said Greg Moga, Chief Executive Officer of Outreach Services. "Our clients continue to invest in Outreach Services as the preferred Revenue Cycle vendor, and this office demonstrates our commitment to better serve our clients and their patients in Arizona."

Seattle, Washington based Outreach Services assists hospitals and patients with their financial needs, finding funding for the underinsured, recovering third-party claims, and providing billing management. Established in 1987, Outreach Services began helping underinsured patients and their hospitals navigate Medicaid benefits. In the years since, that mission has expanded to include not only expertise in other benefits for the underinsured, but also new divisions dedicated to third-party liability and outsourced billing; striving to eliminate unnecessary write-offs or collection efforts. The company also helps patient's access funding programs and recovers insurance claims, as well as supporting hospitals in healthy financial management.
